HowTo C@MPUS – for applicants

Activating your student account

C@MPUS Support Team

Date: 09/12/16
Notice

- Please note: The generation of your student account and the activation link can be delayed up to 24h after immatriculation. Please wait accordingly before placing support requests.
1. Log in: https://campus.uni-stuttgart.de/
2. Open your Business card

After log in, click on your name (upper right corner).
3. Student account ID

You will now find your new student account ID („TIK/SIAM-Nutzerkonto“) on your so-called business card.

Please write down your student account ID.
4. Student Account Activation

Click on “Student Account Activation”.

Ms. Teststudi, Erna-Accountvergabe-Test

E-mail: st140122@stud.uni-stuttgart.de
5. Activate your student account

Use your new student account ID (including „@stud.uni-stuttgart.de“) to activate your student account.

Choose your password

Repeat password

Click to activate
6. Further information

- Please use your student account for future C@MPUS log-in: campus.uni-stuttgart.de
  (Please note: The activation of your account can be delayed up to 24h. The activation for LSF will be delayed until semester begin. Please wait accordingly before placing support requests.)

- Further information on C@MPUS: www.uni-stuttgart.de/campus

- Further information on the student account (TIK/SIAM-Nutzerkonto), e.g. on e-mails, password, LSF: www.stud.uni-stuttgart.de/dienste

- Please note that all further e-mail communication from the student management office („Studiensekretariat“) will be sent directly to your new student account (TIK/SIAM-Nutzerkonto), including information on your tuition fee status!
  Check the e-mail account of your student account regularly!
