Get-together for International Doctoral Students, Postdoctoral Researchers, and (Visiting) Professors

Dear International Researchers,

we are excited to invite you to our get-together designed to help you **connect, network, and share experiences** with other newly arrived researchers and researchers who have already been at the university for some time.

Date: Thursday, April 10th 2025

Time: 5:30 pm – 6:30 pm

Place: Foyer of the International Office, Pfaffenwaldring 60 (IO), Campus Vaihingen

Our event provides a great opportunity for you to meet other international researchers in an **informal setting**. We will also be providing a selection of **finger food and snacks** to enjoy during the event.

Please **register** for this event via [ILIAS](#) until **March 31st**. If you do not have access to ILIAS please send an e-mail to gwl@ia.uni-stuttgart.de.

When you register, we encourage you to share any topics you would like to discuss or learn more about during the event. Feel free to suggest themes that interest you, whether related to local culture, activities outside the lab or adjusting to life in Stuttgart.

If for any reason you are unable to attend after confirming your participation, we kindly ask that you inform us as soon as possible. This will help us ensure we have an accurate count for food and space arrangements.

We look forward to seeing you on April 10th!
