Welcome Reception
Winter Semester 2022
for International Doctoral Students, Postdoctoral Researchers, and Visiting Scholars

Welcome Researchers!

We would like to invite you to this winter Semester Welcome Reception for International Doctoral Students, Postdoctoral Researchers and Visiting Scholars. The reception will take place at midday so that you can easily fit it into your workday. Representatives will give you an introductory presentation of different service points at the University of Stuttgart. Afterwards, we will close the event with a lunch buffet of German finger food!

This Welcome Reception will give you the opportunity to ask questions and meet other international colleagues in an informal way.

So join us on:

Thursday, October 27, 2022 from 12 am – 2 pm

At the foyer of the International Centre, Pfaffenwaldring 60 (IZ), Campus Vaihingen

To register, please send a short mail indicating your name and the institute you work at to gwl@ia.uni-stuttgart.de until October 21 at the latest.

We look forward to seeing you there!
