Welcome Reception
Winter Semester 2022
for International Doctoral Students, Postdoctoral Researchers, and Visiting Scholars

Welcome Researchers!

We would like to invite you to this winter semester Welcome Reception for International Doctoral Students, Postdoctoral Researchers and Visiting Scholars

The reception will take place at midday so that you can easily fit it into your workday. Representatives of the University of Stuttgart will give you an introductory overview of the different service points at the university.

Afterwards, we will close the event with a lunch buffet of German finger food!

This Welcome Reception will give you the opportunity to ask questions and meet other international colleagues in an informal way.

So join us on:

Thursday, October 27, 2022 from 12 pm - 2 pm

At the foyer of the International Centre, Pfaffenwaldring 60 (IZ), Campus Vaihingen

To register, please send a short mail indicating your name and the institute you work at to gwl@ia.uni-stuttgart.de until October 25 at the latest.

We look forward to seeing you there!
