REGISTRATION OF DOCTORAL STUDENTS

As doctoral students of the University of Stuttgart, you are obliged to register your doctoral project with C@MPUS upon conclusion of the agreement on doctoral studies.

Registration with C@MPUS is part of your application for acceptance as a doctoral student, which is submitted to GRADUS and made to the responsible doctoral committee. A list of documents to be submitted will be displayed in C@MPUS, and you will receive feedback on the receipt of your submissions.

According to the LHG (law on institutions of higher education in Baden-Württemberg), you are obliged to enroll at the University of Stuttgart after having been accepted as a doctoral researcher by the doctoral committee. Enrollment is also done via C@MPUS.

ACCESS TO C@MPUS: C@MPUS ACCOUNT FOR REGISTRATION

When registering, you must provide information about your academic background (entire curriculum studied and previous enrollments). To ensure that any data of the University of Stuttgart regarding your study history can be transferred correctly, please use the account as described below when accessing C@MPUS (please note the order of the case descriptions!):

1. Current students of the University of Stuttgart
   If you are currently enrolled at the University of Stuttgart, please use your student account (user ID in the form of st123456 or abc54321) for access to C@MPUS.
   
   In case you have forgotten the password for your student account, please contact the TIK Student User Advice: https://www.tik.uni-stuttgart.de/beratung

2. Former students of the University of Stuttgart
   If you were already enrolled at the University of Stuttgart in the past but your student account is no longer active, please fill out the registration form in C@MPUS to create a Basis account and follow the instructions in the e-mail you will receive afterwards.

   Please note: If your exmatriculation was less than eight months ago, then your student account is still active and usable. In this case, please use your student account as described above.

3. Current staff at the University of Stuttgart
   If you are currently an employee of the University of Stuttgart and are not currently enrolled or have never been enrolled at the University of Stuttgart in the past, please use your employee account (user ID in the form of ac123456) for access to C@MPUS.

4. All others
   If you are not currently enrolled and have never been enrolled at the University of Stuttgart, you can create a Basis account with C@MPUS. On the C@MPUS home page, you can find a link to the registration form for creating an applicant account.
REGISTER AND SUBMIT DOCUMENTS

Go to the C@MPUS website and log in
Before registering for the first time with C@MPUS, please decide which of the groups described for C@MPUS access you belong to (see above). If necessary, contact the above offices to (re-)access the corresponding account. If you are not sure which group you belong to, please contact C@MPUS Support at support@campus.uni-stuttgart.de

Go to the C@MPUS system at https://campus.uni-stuttgart.de and log in to this page.

Create and submit your application
In case you end up directly on the application wizard’s home page after logging in to C@MPUS, skip the first steps of this manual and read on with “2.2 When you begin your studies …”.

1. Go to Home page in C@MPUS.
2. View the overview of your applications:

2.1. Create a new application for registration or edit an application that you have already started:

2.2. When you begin your studies, please select the current semester and click “Next”.

2.3. When selecting the study program, please select “Registration for Doctoral Degree Studies” as shown in the screenshot and click “Next”.
2.4. Please fill out the forms displayed on the following pages of the application wizard accordingly (personal data, address, university entrance qualification, academic background), or confirm the data already entered by clicking on “Next”.

Please note: If you are an employee at the University of Stuttgart, you are not able to indicate your “Place of birth”, “Country of birth” and "Nationality" at this point. Please click on "Continue" and add this information later (in the application for acceptance as a doctoral student).

2.5. The documents that you need to submit will then be requested by the application wizard. You can upload the documents directly here or at any time after submitting the application. Instructions for the subsequent upload of documents can be found here: https://www.uni-stuttgart.de/en/study/application/online/instructions/application-status/

2.6 After the last “Next”, you will see a summary of the information you have provided. Please scroll down to the bottom, confirm the details and click “Submit”.

Confirmation
Click on “Back” to correct incorrect information. Tick the box and click “Send” to submit your data and your application electronically. It is not possible to correct your information after you have clicked “Send”.

- I hereby certify that the information I have provided is true and complete. I understand that negligent or wilful misrepresentation is a regulatory offense and may result in my admission and enrollment being rescinded at any time (§§ 49 and 48 Landesverwaltungsverfahrensgesetz BW (Administrative Procedure Act)).
- I confirm that I have read the University of Stuttgart’s privacy policy pertaining to studying at university http://www.student.uni-stuttgart.de/studierorganis/programme/privacy克拉 turf/
Application for acceptance as a doctoral student

Please fill in the forms displayed on the following pages of the application for acceptance wizard (contact details, personal details, details about the doctoral project: Institute, facility at the University of Stuttgart, faculty, doctoral degree and subject, structured doctoral program, cooperation, previous doctoral studies) accordingly or confirm the already entered data by clicking on "Next".

After the last "Next" a summary of your data will be displayed. Please scroll all the way down and confirm the information by clicking on "finally save and confirm".
Please print the application and submit the signed application by post along with the attachments listed on the back of the application:

**Documents to be submitted on paper**

Go to the overview of your applications (→ Click on “My Applications”). By clicking on the arrow symbol you can view details about the status of your application as well as the list of documents to be submitted to GRADUS by post (see page 8).

The different types of submission are as follows:

- **Original**: Please submit the original document. This applies in particular to forms on which your signature is required.
- **Certified copy**: Please submit a certified copy of the document. This applies in particular to academic transcripts and certificates.
- **Copy**: Please submit the document on paper. A simple copy or printout is sufficient.
- **Submit electronically**: Please upload a scan of the document as a PDF file to C@MPUS.

All documents to be submitted in the original or as a copy should be sent by mail (internal mail) to

Universität Stuttgart
Graduierten-Akademie GRADUS
Promovierendenmanagement
Pfaffenwaldring 5c
70569 Stuttgart

Alternatively, you can leave them in the letterbox in front of 5c Pfaffenwaldring. Please do not submit originals of academic transcripts and certificates!
You can check the status of your registration and of the documents submitted by mail anytime in C@MPUS (see below): [https://www.uni-stuttgart.de/en/study/application/online/instructions/application-status/](https://www.uni-stuttgart.de/en/study/application/online/instructions/application-status/)

### Please note: Foreign documents

Certificates, academic transcripts and proofs of performance from foreign universities must be submitted as a certified copy of the original with a certified translation in German or English, or a certified copy must include both the original and the translation.

### Optional: Objection to mandatory enrollment for full-time employees

If you are a full-time employee (volume of employment at least 50%) of the University of Stuttgart, you can object to the mandatory enrollment for accepted doctoral students. If you want to use this option (i.e. you do not want to enroll), please fill out the corresponding form and submit it in the original.

You can find the form here: [https://www.uni-stuttgart.de/forschung/nachwuchs/document/erkläerung-immatrikulation.pdf](https://www.uni-stuttgart.de/forschung/nachwuchs/document/erkläerung-immatrikulation.pdf)

Please send the form to Division IV/Personnel (not directly to GRADUS!), using the specified address. Division IV will confirm the employment relationship and forward the form to GRADUS.
FEEDBACK IN C@MPUS AND STATUS OF REGISTRATION

The status of your documents will be posted in C@MPUS next to the respective document as soon as your documents have been received by GRADUS and are processed there.

If documents are not in order, you will receive information via e-mail.

If additional documents are required for your case, they will be added to the document list in C@MPUS.

Instructions on how to retrieve the details regarding the documents and how to subsequently upload documents can be found here:
https://www.uni-stuttgart.de/en/study/application/online/instructions/application-status/

When all documents are in order, GRADUS will forward them to the responsible doctoral committee, which will then decide on your acceptance as a doctoral student. After that, you will receive the original notification of acceptance as a doctoral researcher by the doctoral committee directly from the responsible faculty.

ENROLLMENT AS A DOCTORAL STUDENT

Please upload the notification of acceptance as a doctoral researcher by the doctoral committee in the list of documents of your registration.

As soon as your acceptance as a doctoral candidate has been recorded in C@MPUS by GRADUS (and you have not rejected the obligation to enroll), you will receive a notification by e-mail that the enrollment procedure has been started.

If you have not received any notification in C@MPUS to enroll, although you have already received your letter of acceptance, please upload this letter in the list of documents of your registration with that the enrollment procedure can be started.
Dear Tester FakAcht,

You have been offered a place on the study program Chemistry, Doctorate for the Summer semester 2024.

To enroll, please proceed as follows:

1. Go to the overview of your applications in C@MPUS. A new application “Doctorate Subject of the doctoral project xy” should have been added now.
2. Accept the offer of a place.

3. Complete the data required for enrollment (residual data entry):

4. Please complete the process of the residual data entry by clicking on "finish". This is followed by the preview window. Please tick the confirmation box and then click on SEND. You have now submitted the application for enrollment at the University of Stuttgart digitally. After sending your data, it is possible to upload or replace (additional) documents within the deadline (see the list "required documents (for enrollment)").

5. Please transfer the tuition fees as specified:
6. When all documents for enrollment and the payment have been received by the department “Application, Admission, Enrollment”, you will be informed by email of the enrollment. Please find all this information on enrollment in detail at: https://www.uni-stuttgart.de/en/study/application/online/instructions/enrollment-procedure/
