University Listing for Selecting University Codes for the Adjunct

This document provides a listing of some 1900 Universities around the world. There is a high chance to find your university there. Using the University Code given in square brackets ([..]) in the Adjunct will facilitate and speed up the processing of your application data.

The list has bookmarks for each country – which can be shown in the Adobe Reader bookmark list. Alphabetically grouped are the Universities from the country bookmarked.
