

Additional information sheet / supplementary form for the study program M.Sc. Computational Linguistics

-- only necessary for applicants **without** a Bachelor's degree
in Natural Language Processing / Computational Linguistics --

Last name, first name

What is your most relevant degree as a basis for the MSc CL?

Name and country of the university from which you got this degree:

What is your final grade of this degree (numerical)?

What is the maximum grade (i.e. best possible) of this degree (numerical)?

What is the minimum pass grade of this degree (numerical)?

Proof of relevant grading system (e.g. URL):

Which English certificate have you uploaded (which level)?

Have you ever lost the examination claim for a study program?

If yes, for which program and at which university?

Please attach a short letter of motivation (approx. 300 words) to this file as well as a short description of the contents of your most relevant thesis (usually Bachelor thesis). You can attach further relevant certificates.

In order to show your fundamental skills, please fill in the courses you have taken which you believe are relevant for the M.Sc. Computational Linguistics.
 Courses without ECTS credit points or grade, if applicable, will not be taken into account.
 [1 ECTS credit point is worth 30h.]

Relevant courses of your curriculum in the area of THEORETICAL SKILLS in COMPUTER SCIENCE (e.g. Formal Language Theory)	ECTS points	achieved grading A (> 90%), B (> 75%) C (> 60%), D (> 45%)

Relevant courses of your curriculum in the area of PRACTICAL SKILLS in COMPUTER SCIENCE (e.g. programming, projects ...)	ECTS points	achieved grading A (> 90%), B (> 75%) C (> 60%), D (> 45%)

Relevant courses of your curriculum in the area of FORMAL LINGUISTICS (e.g. Syntax, Semantics, Morphology, Phonetics ...)	ECTS points	achieved grading A (> 90%), B (> 75%) C (> 60%), D (> 45%)
