Dear applicant for the Master Course in Materials Science,

Thank you for your interest in studying at the University of Stuttgart. Please provide the following information that is necessary for the evaluation of your application. Be aware that the given data in the form will be checked.

Last Name:	First Name:
Date of Birth:	Nationality:

Name/Subject of your previous bachelor studies:	University/Country:
---	---------------------

Type of English Test (e.g. TOEFL, IELTS)/Grade (points) of the test:	/
--	---

Start / End of the study (yyyy-mm-dd):	/
--	---

Standard study period of previous Bachelor (years?):		Total number of credit points/hours of the study course:	
--	--	--	--

Achieved final grade: grade point average (GPA):	
--	--

Best grade / lowest (passing) grade (of the grading system of your University) :	/
--	---

Assign the courses / modules of your bachelor studies to the following subgroups (list each lecture/module only once):

Subgroup	Subgroup	credit points/hours
Mathematics		
General chemistry		
Organic chemistry		
Quantum Mechanics		

Physics		
Materials Science		

**Important: Indicate the here assigned courses/modules in your submitted transcript of records.**

Please fill out and submit together with your letter of motivation as well as language and study certificates. The data are required for the admission process and kept confidential (see information regarding §14 'Landesdatenschutzgesetz' in the online application form)

Note, credit and grade points mean something different: the former measure the time effort, the latter the study success.
