WELCOME to the program Master of Science *Computational Linguistics*

April 16, 2020

Overview

1 Introduction – who we are ...

2 Program of study: M.Sc. CL

3 Useful information

4 Next steps

**Introduction – who we
are ...**

1

IMS chairs / research groups

- **“Theoretical Computational Linguistics”:** Prof. Sebastian Padó, Dr. Klinger, Dr. Lapesa & many more

semantics, multilinguality, text mining, machine learning, psycholinguistics and much more

- **“Foundations of Computational Linguistics”:** Prof. Jonas Kuhn, Prof. Reyle, Prof. Schulte im Walde & many more

syntax and semantics, research infrastructure, digital humanities, code-switching and much more

- **“Digital Phonetics”:** Prof. Thang Vu, Dr. Schweitzer, Dr. Wokurek & many more

speech recognition and synthesis, deep learning, dialogue systems, speech signal analysis, prosody, phonetic convergence and much more

- **Junior professorship Computational Linguistics: coming soon**
- **Emmy Noether Group ‘Computational Models of Misunderstanding’:**
Dr. Michael Roth

Program of study:
M.Sc. CL

Program of study

- regular duration: 4 semesters (max. duration: 9 sem.)
- consists of several **modules**
 - module duration: 1-2 semesters
 - can contain 1 (or more) **course(s)**
(= lectures, seminars, lab sessions ...)
- module descriptions: module handbook, see C@MPUS
- ECTS credit point (CP) = *Leistungspunkt* (LP)
 - measurement of working load (1 CP = 30h)
 - 2 SWS = 1,5h/week = 3 CP/semester
 - 120 CP needed for M.Sc. degree;
30 CP per semester = 20 SWS = 10 x 1,5h per week
 - are given for complete modules after last successful exam

Study plan suggestion (flexible!)

program structure MSc CL PO 2017, Uni Stuttgart

Semester	Obligatory modules	Elective modules	Other	ETCS Credit Points
1 (WiSe)*	Methods in CL ** [8SWS*** 12CP]	Elective courses worth ca. 18CP		30
2 (SoSe)*	CL Team Lab ° [4SWS 6CP]	Elective courses worth ca. 18CP	Key competences °° [2SWS 3CP]	27
3 (WiSe)*	CL Research Module ** [4SWS 9CP]	Elective courses worth ca. 24CP		33
4 (SoSe)*	Master's thesis [30CP]			30
Colour key:	IMS	IMS & Computer Science / Linguistics Departments	across UniS	

*) For a start in the summer semester, it is recommended to interchange obligatory modules.

However, the CL Team Lab is not recommended for 1st semester students without background in CL.

**) Offered in winter semesters

***) 2 SWS = 1,5h/week

°) Offered in summer semesters

°°) Is also possible in any other semester

Program of study ctd.

Details about modules

- “Methods in Computational Linguistics”
(12 credit points; first (winter) semester; highest priority!) item
“Computational Linguistics Team Laboratory”
(6 credit points; second semester)

Program of study ctd.

Elective modules (60 credit points)

- choose 1 primary catalogue (at least 18 credit points) and 2 secondary catalogues (at least 6 credit points each)
- choose primary/secondary catalogues from
 - Core Computational Linguistics
 - Applied Natural Language Processing
 - Speech Processing
- the remaining modules (30 credit points) can be chosen freely from all offered catalogues (largest choice: Computer Science)

Program of study ctd.

Elective modules (60 credit points)

- if a module is not (yet) listed in our module handbook, ask S. Anstein if it can be imported
- special module: “Project Seminar Computational Linguistics” (2 SWS → 6 LP by doing additional project)

Please note: Each course can be used only once – to prove this and to help us entering your grades, you’ll need to submit your course-module mapping each semester (see email reminder). You can find the possible modules for a course in C@MPUS in the column “SPO”.

Program of study ctd.

Key competences (3 credit points)

- modules for general competences
 - e. g. presentation modalities, time / project / knowledge management, ...
 - can be done in any semester; only online registration possible before semester start: <http://www.uni-stuttgart.de/sq>
 - can be found in C@MPUS at "Central facilities – Central Facility Zentrum für Lehre und Weiterbildung der Universität Stuttgart – Central office Fachübergreifende Schlüsselqualifikationen – Courses"
 - possible at the Language Center: advanced language courses
 - Language Center also offers SQ courses during semester breaks
 - You'll get an email with the registration dates!

Program of study ctd.

Later obligatory modules

- Research module (9 credit points)
 - Research seminar
 - preparation for Master's thesis: read research papers / books, find a topic for your thesis, write proposal, present your thesis topic and pass oral exam
 - can be taken "remotely" (studying abroad, internship)
 - should be taken in 2nd semester by students who started in summer term
- Master's thesis (30 credit points)
 - need at least 60 credit points to start with Master's thesis

Please note: This is an idealised scheme of the program – you can do it differently, just don't exceed the maximum duration of 9 semesters! For students who start in summer term, an individual plan can be developed together with S. Anstein (according to your background).

Useful information

3

Useful information

- German language course / “tandem” advisable
 - binding version of University documents: in German
 - to make the most of your life in Germany :)
 - check C@MPUS – Central Facilities – Language Center (course registration deadline: Oct 15)
- some students got a “conditional admission” (*Auflagen*)
 - see C@MPUS account; recommended to take the oral exam asap / programming course available in winter (no credits)
 - please register in Nov/May; you will get another email with more information
- please participate in evaluations
 - course evaluations, carried out during semester (on paper)
 - module evaluations, carried out after end of semester/exams (by email)

Useful information ctd.

- exam regulations (at the moment in German only)
 - important information is also available in English on the websites and on the handout (if in doubt, please ask!)
 - describe obligatory modules & define electives
 - determine number of possible repetitions and maximum length of the study, ...
 - <http://www.uni-stuttgart.de/studieren/service/admin/po/msc/index.html>
- exams
 - oral or written exam (during the semester or at the end of the semester)
 - ungraded exam: passed / failed
 - graded exam:
1,0 (excellent) / 1,3 / 1,7 ...– 4,0 (acceptable)
 - hint: there might be some preconditions to fulfill in order to be allowed to take part in an exam, e.g. homework, ...

Useful information ctd.

- registration for exams / **modules**
 - exact exam dates are announced in the lectures (can also take place in lecture-free period!)
 - register online in C@MPUS
 - each exam has to be registered during the registration period (as announced by the University: May/June & November/December) – otherwise participation is not possible (screenshot of registrations recommended)
 - info meeting: Nov 13 lunch break

Useful information ctd.

- postponing / repeating exams
 - you can only repeat exams you have failed
 - you can withdraw from an exam until 7 days before the exam takes place (otherwise, a medical certificate is needed as soon as possible in order for the exam not to count as “failed”)
 - failed exams can be repeated once; this has to be done within 2 semesters; re-registration necessary!
 - 2 failed modules can be dropped
 - a second repetition of a module exam (type “PL”, see module handbook) is only allowed in 3 cases in total

Useful information ctd.

- C@MPUS online portal
 - contains all currently offered courses and the modules they can be used for
 - personal timetable can be created (by registering for courses: non-binding)
 - (de-)registration for exams
 - <https://campus.uni-stuttgart.de>

Useful information ctd.

- ILIAS platform
 - is used to share information (slides, literature, ...) for courses (provided by the lecturers)
 - when you register the course in C@MPUS you will automatically be in the corresponding ILIAS course (if there is one for this course)
 - <http://ilias3.uni-stuttgart.de>

 Lehrveranstaltungen Sommersemester 2019

Content Info

Hinweis: Sowohl das Anlegen von jeglichen semester-/lehrveranstaltungsbezogenen ILIAS-Kursen in der Universität Stuttgart geschieht ab dem WS 17/18 nur noch über C@MPUS. Die ILIAS-Kurse werden direkt in ILIAS übertragen. Direkt in ILIAS können in dieser Kategorie grundsätzlich keine Kurse mehr angelegt werden.

COURSES

 Advanced Information Management

PD Dr. Holger Schwarz, Lecture and exercises, summer term 2019

Registration: No Registration Possible

Availability: 28. Mar 2019, 10:55 - 30. Sep 2020, 23:55

To access this item you need to be logged in and to have appropriate permissions.

 Advanced Software Engineering: Non-Functional Aspects in Software Engineering

Registration: No Registration Possible

Useful information ctd.

- more important information on the IMS website
<http://www.ims.uni-stuttgart.de>
 - course of study, exam regulations
 - lecturers, staff & contact data
 - projects & publications
 - events & news
 - ...
- more space in (computer) working areas in Pfaffenwaldring 5c and in Universitätsstraße 38
- honor code: not to plagiarize (worst case: plagiarism can lead to exmatriculation)
- please read the IMS code of conduct:
www.msv-cl.de/code-of-conduct

Useful information ctd.

Further institutions at the university to get information & help:

- Examination Office (*Prüfungsamt*)
 - Pfaffenwaldring 5c, 3rd floor
- Admissions Office (*Studiensekretariat*)
 - German students: Pfaffenwaldring 5c, 2nd floor
 - foreign students: Pfaffenwaldring 5c, 1st floor
- Centre for International Students (*Internationales Zentrum*)
 - welcome service – get your welcome package!
 - international mentoring, learning groups, student associations, leisure activities, help with German forms etc.
 - Pfaffenwaldring 60

Useful information ctd.

Further institutions at the university to get information & help:

- Student Services (*Studierendenwerk*)
 - housing (make sure you stay on waiting list!), childcare, legal advice, social advice, psychological support, finances, disabilities, ...
 - Rosenbergstraße 18 (Stuttgart centre)

Further institutions outside the university to get information & help:

- Welcome Center Stuttgart
(<https://welcome.stuttgart.de/welcomecenter/en/>)
 - help in many areas for new students

Next steps

4

For you to do ...

- take a look at
 - the current semester schedule extracted from C@MPUS (see below and on the IMS homepage)
 - choose around 30 CP / 20 SWS / 10 slots (check course combinations)
 - hint: rather choose „lectures“ and overview / introductory courses in the beginning and „seminars“ on very specific topics only in the later course of studies (especially for non-CL graduates)
 - if you plan to focus on machine learning, work on your maths ...

Schedule for the current semester

Node filter-Name

- [979-2013] Computer Science
- [100] Study Profiles
- [110] Visual Computing
- [120] Autonomous Systems
- [130] Service Technology and Engineering
- [200] Elective
- [900] Interdisciplinary Key Qualifications
- [81150] Masterarbeit Computer Science
- [DV] 3rd attempts

10:00	Machine Learning regular class; Exercise; Gruppe 01; Lecturer: Toussaint,	regul- class Exer Lect	Mod und Sim regul
11:00		Distr Algc regul class	Eme Arch regul class

Some dates to save ...

- Welcome Reception for International MSc students:
October/November 2020
- Whitsun break: June 2 to 5 (both included)
- Public holidays: May 1, 21; June 11 (shops etc. closed!)

In case of any questions ...

... please ask:

- **Stefanie Anstein**

degree program manager, student advisor &
contact person examination committee

office: 01.006 (here) in Pfaffenwaldring 5b
stefanie.anstein@ims.uni-stuttgart.de

- if in doubt, please ask – the sooner the better :)
- our student representatives (room 00.015;
fscl@listserv.uni-stuttgart.de; msv-cl.de)
- colleagues at the International Service Point of faculty 5
www.f05.uni-stuttgart.de/studium/international-service-point/

And now ...

- Fill in the form for your computer account at the IMS and email it to studenten-trouble@ims.uni-stuttgart.de – **check your IMS mail regularly or set a 'forward' (default: st-account!)**
- Ask questions, if there are any ...

Welcome at the IMS!
