 = Key Qualifications (subject specific/interdisciplinary)	 = Second Mandatory Internship	 = Bachelor Thesis

* German universities run semesters of six month duration. They last from April 1 to September 30 (Summer Semester, SS) and from October 1 to March 31 (Winter Semester, WS). Each semester is divided into a time with and without lectures.

** KQ: Key Qualifications

*** fac. cat.: A catalogue (index) of the faculty containing different subjects from which the compulsory subjects can be chosen
