- Modules are recognized with the credits (ECTS) that the corresponding module has at the University of Stuttgart. For example, if a 9 ECTS module is recognized whose equivalent module at the University of Stuttgart is 6 ECTS, only the 6 ECTS can be recognized. In the case of recognition of a 3 ECTS module whose equivalent module at the University of Stuttgart is valued with 6 ECTS credits, 6 ECTS credits will be recognized. Credits are only awarded for completed modules, not for individual module components.
- If necessary, recognition must be confirmed by the examiner of the module to be recognized.
- You can find instructions for positioning your modules within the study plan (curriculum) here: <https://www.student.uni-stuttgart.de/en/digital-services/campus/my-study-program/#id-0ebdd2ff-6>
